

Project Name:	ATLAS: THESIS MANAGEMENT SYSTEM WITH AUTOMATED RESEARCH DEFENSE SCHEDULING AND AI-ASSISTED EVALUATION FOR THE COLLEGE OF ENGINEERING, COMPUTER STUDIES, AND ARCHITECTURE AT LYCEUM OF THE PHILIPPINES UNIVERSITY - CAVITE						
Written By:	Agustin, Winston L.			Gerona, Jerald Ryan			
	Vicedo, Neil S.			Ilano, Ivan Kerwin			
Written Date:	Tuesday, April 22, 2025						
Test Case Description:	Functionality Test						
Testers:							
	(Test Respondent's Full Name)						
Test Conditions			Date:	13-Aug-25			
Total Test Case:	206		Rating:				
Pass:	0						
Fail:	0						
ADMIN							
(CRD, Program Chairs)							
Test Case Scenario ID	Name of the Module Function	Test Case Scenario	Action	Actual Input	P A S S	F A I L	Comments/Suggestions
AD#01	Admin Login	Admin enters registered Username and password	Successful login will navigate Admin to Admin Dashboard	Click Login			
AD#02		Admin enters unregistered Username and Password	A message will show that the "Username does not Exist"	Click Login			
AD#03		Admin enters only Username	A message will pop out saying "Please fill out this field"	Click Login			
AD#04		Admin enters only password	A message will pop out saying "Please fill out this field"	Click Login			
AD#05	Admin Overview Preview	Admin Dashboard overview	Successful login, Admin will be redirected to Admin Dashboard on Overview Tab	Click Login			
AD#06		View of requirement progress	After successful login, Admin can access/view the requirements progress tab	Click view per requirement			
AD#07		View of Upcoming Defenses Schedule	Successful login, Admin can access/view the Upcoming Defense Schedule	Scroll down -> Click an available group			
AD#08	Admin Users Tab	Admin Search Users	System Searchers for user	Input user Click Search button			
AD#09	Admin Users Tab and Admin Adding Users	Admin Sort Users	A dropdown list shows, which includes Default (Newest First), Default (Oldest first), Username (A-Z), Username (Z-A), First Name (A-Z), First Name (Z-A), Last Name (A-Z), and Last Name (Z-A)	Click sort option beside search button			
AD#10		Select Add User	A window will pop up showing details of potential system user	Click Add User button			
AD#11	Admin Adding Users and Admin Edit Users	Admin leaves Username blank	An error will pop up "This field is required"	Click Add User button			
AD#12		Admin leaves email blank	An error will pop up "This field is required"	Click Add User button			
AD#13		Admin leaves password blank	An error will pop up "This field is required"	Click Add User button			
AD#14		Admin leaves first name blank	An error will pop up "This field is required"	Click Add User button			
AD#15		Admin leaves last name blank	An error will pop up "This field is required"	Click Add User button			
AD#16		Admin leaves User Type blank	A error will pop up "Please select an Item on the list"	Click Add User button			
AD#17		Select Edit	A window pops up with the details of the user that can be edited	Click Edit button on the far right of a user			
AD#18	Admin Delete Users	Select Delete	A confirmation window will pop up	Click Delete button on the far right of a user			
AD#19	Admin Teams Tab	Admin Team Search	System searches for user	Click Teams tab Input Valid team Click search button			
AD#20	Admin Teams Tab and Admin Adding Teams	Admin Team Sort	A dropdown list shows, which includes Default (Newest First), Default (Oldest First), Team Name (A-Z), and Team Name (Z-A)	è Click sort option beside search button			
AD#21		Select Add Team	A window pops up with details of adding a team	Click Add Team			
AD#22	Admin Adding Teams and Admin Edit Team	Admin leaves Team Name blank	An error will pop up "This field is required"	Click Add Team			
AD#23		Admin leaves Research Title blank	An error will pop up "This field is required"	Click Add Team			
AD#24		Admin leaves Area of Expertise blank	An error will pop up "This field is required"	Click Add Team			
AD#25		Admin leaves Program blank	The system saves the item but will not display the team	Click Add Team			
AD#26		Admin leaves Team members blank	The system saves the item but will not display the team	Click Add Team			
AD#27		Select Edit	A window pops up with the details of the team that can be edited	Click Edit button on the far right of a team			
AD#28	Admin Delete Team	Select Delete	A confirmation window will pop up	Click Delete button on the far right of a team			
AD#29	Admin Schedules Tab	User Schedules Management Tab Overview	Shows the overview of User Schedules Management Tab	Click Schedules Tab			
AD#30		Sort By Program/Section or By Instructor	Sorts the schedule by Program/Section or By Instructor	Click By Program/Section and By Instructor			
AD#31		Sort by Program	Sorts the Schedule by Program	Click Select Program -> Select a program			

AD#32		Sort by Section	Once the user selects a Program the user will now select an available Section	Click Select Section -> Select an available Section			
AD#33	Admin Schedules Tab and Add Schedule	Add Schedule	A window will pop up to add Schedule	Click Add Schedule Button			
AD#34		Admin leaves Program blank	An error will pop up "Please select an item in the list."	Click Add Schedule -> Add item			
AD#35		Admin leaves Course Code blank	An error will pop up "Please fill out this field"	Click Add Schedule -> Add item			
AD#36		Admin leaves Year blank	An error will pop up "Please fill out this field"	Click Add Schedule -> Add item			
AD#37		Admin leaves Section blank	An error will pop up "Please fill out this field"	Click Add Schedule -> Add item			
AD#38		Admin leaves Room blank	An error will pop up "Please fill out this field"	Click Add Schedule -> Add item			
AD#39		Admin leaves Instructor blank	An error will pop up "Please fill out this field"	Click Add Schedule -> Add item			
AD#40		Admin leaves Day of Week blank	An error will pop up "Please select an item in the list"	Click Add Schedule -> Add item			
AD#41		Admin adds an conflicted time	The item saves but will have conflicts with other schedules	Click Add Schedule -> Add item			
AD#42	Admin Research Title Tab	Add Research Title	A window will pop up to add a Research Title	Click Add Research Title button			
AD#43	Admin Research Title Tab and Admin Programs Tab	Admin leaves Team name blank	A pop up appears "Please select an item in the list"	Click Add Research Title button			
AD#44		Admin leaves Title blank	A pop up appears "Please fill out this field"	Click Add Research Title button			
AD#45		Admin Edit Research Title	A window will pop up with details of the research title	Click Edit button on the far right of research title			
AD#46		Admin Delete Research Title	A confirmation window will pop up	Click Delete button on the far right of research title			
AD#47		Add Program	A window will pop up to add a Program	Click Add Program -> Add item			
AD#48		Admin leaves College blank	An error will pop up "This field is required"	Click Add Program -> Add item			
AD#49		Admin leaves Department blank	The item saves but the Department will show N/A	Click Add Program -> Add item			
AD#50		Admin leaves Program Name blank	An error will pop up "This field is required"	Click Add Program -> Add item			
AD#51		Admin leaves Specialization blank	The item saves but the Department will show N/A	Click Add Program -> Add item			
AD#52	Admin Programs Tab and Admin Defense Schedule Tab	Edit Program	A window will pop up with the details of the Program	Click Programs Tab Edit			
AD#53		Delete Program	A confirmation window will pop up	Click Programs Tab Delete			
AD#54		Admin Add Defense Schedule	A window will pop up with details of the Defense Schedule	Click Add Defense Schedule			
AD#55	Admin Defense Schedule Tab and Admin Rubrics Tab	Admin leaves Schedule Date blank	A pop up appears "Please fill out this field"	Click Add Defense Schedule			
AD#56		Admin leaves Start time/ End time blank	An error will pop up "Please fill out this field"	Click Add Defense Schedule			
AD#57		Admin leaves Room blank	A pop up will show "Please fill out this field"	Click Add Defense Schedule			
AD#58		Admin leaves Team blank	An error will show "Please select an item in the list"	Click Add Defense Schedule			
AD#59		Admin selects an already scheduled team	If a team is already scheduled the admin cannot select the item again	Click Add Defense Schedule			
AD#60		Admin Edit Defense Schedule	System shows a pop up for editing a Defense Schedule	Click Edit button on the far right on a schedule			
AD#61		Admin Delete Defense Schedule	A confirmation window will pop up	Click Delete button on the far right on a schedule			
AD#62		Admin Generate Defense Schedule	Click Scheduler settings first then Click Generate Defense Schedule	Click Scheduler settings First, Then Click Genereate defense sched			
AD#63		Add Rubrics	A window will show and an Admin will input the Rubrics based on the programs	Click Add New Rubric Button			
AD#64		Admin leaves a Rubric detail blank	An error message will show	Click Add New Rubric Button			
AD#65	Admin Rubrics Tab Admin Rubrics Groups	Admin Edit Rubrics	A window pops up with details of an editable rubric	Click Edit button on the far right of a rubric			
AD#66		Admin Delete Rubrics	A confirmation window will pop up	Click Delete button on the far right of a rubric			
AD#67		Admin Rubrics Group View	System shows the Rubric Groups Tab	Click Rubrics Group Tab			
AD#68		Add New Group	A window will appear with the details of a New Rubric Group	Click Add New Group			
AD#69	Admin Rubrics Groups Admin Evaluation Tab	Admin leaves Group Name blank	An error message will show "Group Name is required"	Click Rubrics Group -> Add New group			
AD#70		Admin leaves Description blank	The item will save but will display N/A	Click Rubrics Group -> Add New group			
AD#71		Admin leaves Add Rubric blank	An error message will show "Add Atleast one Rubric to the group"	Click Rubrics Group -> Add New group			
AD#72		Admin Arranging Rubrics	Once the admin added Rubrics, the admin can re-arrange the rubrics by dragging	Click Add New Group			
AD#73		Admin Edit Rubrics	A window pops up with details of an editable Rubric Group	Click Edit			
AD#74		Admin Delete Rubrics	A confirmation window will pop up	Click Delete			
AD#75		Admin Evaluation View	The system will change the view from evaluator view to student view	Click Change View button			
AD#76		Admin Requirements View	System shows the Requirements Manager Tab	Click Requirements Tab			
AD#77	Admin Requirements Tab	Admin Add Requirement	A window will pop up with details of adding a requirement	Click Add Requirement button			
AD#78	Admin Requirements Tab and Admin	Admin leaves Name blank	An error will show "This field is required"	Click Add Requirement -> Add Item			
AD#79	Research Repository Tab	Admin leaves Description	An error will show "This field is required"	Click Add Requirement -> Add Item			
AD#80		Admin leaves File blank	The file is optional the system will continuously save	Click Add Requirement -> Add Item			

AD#81		Admin leaves Due Date blank	An error will show "Due date is required"	Click Add Requirement -> Add Item			
AD#82		Admin Edit Requirements	A window will pop up with details that can be edited	Click Edit button on the far right of the requirement			
AD#83		Admin Delete Requirements	A confirmation window will pop up	Click Delete button on the far right of the requirement			
AD#84		Research Repository Tab View	A new tab will open showing the Files in the system	Click Research Repository Tab			
AD#85		Admin leaves File blank	A message will show "Please select a file"	Click Upload File -> Upload			
AD#86		Admin Research Repository Tab and Admin Content Management System	Admin Uploads a different File type	A message will appear and show the only Allowed File Type	Click Upload File -> Upload		
AD#87	Admin leaves Target Program blank		A message will show "Please select a target program"	Click Upload File -> Upload			
AD#88	Content Management Overview		Shows the Content Management Tab	Click Content Management Tab			
AD#89	Admin Add System Settings		A setting can be added by inserting the right Key, Value, And Description	Click Content Management Tab Click Add Setting			
AD#90	Admin leaves a detail blank on Add Setting		An error message will show "Please fill out this field"	Click Add Setting -> Add Item			
AD#91	Admin Content Management System Admin Guide	Admin leaves a detail blank on Add Page Content	An error message will show	Click Add Page Content -> Save			
AD#92		Admin Edit System Setting	A window will pop up with editable details	Click Content Management Tab Click Edit button on the far right of a setting			
AD#93		Admin Guide Access	The page will show a guide on Using the System	è Click Guide			
AD#94	User Profile	User Profile View	Shows the Username,, First Name, Last Name, Headline, Profile Details, Gender, and edit profile	Click the profile Icon banner in the Top left corner and Click Profile selection			
AD#95		User Profile Edit	Edit your Picture, Username, Email address, First Name, Last Name, Headline, Profile Details, Gender And Password and It will show a "profile successfully updated"	Click the profile Icon banner in the Top left corner and Click Profile selection and Click Confirm Changes			
AD#96		User Profile inputting a wrong Email Address	An error will pop up	Click the profile Icon banner in the Top left corner and Click Profile selection and Edit Email Address and Click Confirm Changes			
AD#97		User Profile inputting a Wrong current Password	It will say "Incorrect Current Password"	Click the profile Icon banner in the Top left corner and Click Profile selection and Edit Password and Click Confirm Changes			
AD#98		User Profile inputting a not same Password	It will say "Confirmed password does not match new password"	Click the profile Icon banner in the Top left corner and Click Profile selection and Edit Password and Click Confirm Changes			
AD#99		User logout from system	User will be logged out from system	Click the profile Icon banner in the Top left corner and Click logout button			
STUDENT							
Test Case Scenario ID	Name of the Module Function	Test Case Scenario	Action	Actual Input	P A S S	F A I L	Comments/Suggestions
ST#01	Student Registration	Students click register	Student will be redirected to Student Registration	Click Register			
ST#02		Student enters proper credentials	Student will be redirected to profile page to Verify Acc	Click Register			
ST#03		Student leaves email address blank	A message will pop out saying "Please fill out this field"	Click Register			
ST#04		Student leaves First Name blank	A message will pop out saying "Please fill out this field"	Click Register			
ST#05		Student leaves Last Name blank	A message will pop out saying "Please fill out this field"	Click Register			
ST#06		Student leaves Program blank	A message will pop out saying "Please select an item in the list"	Click Register			
ST#07		Student leaves Year Level blank	A message will pop out saying "Please fill out this field"	Click Register			
ST#08		Student leaves Section blank	A message will pop out saying "Please fill out this field"	Click Register			
ST#09		Student leaves Password blank	A message will pop out saying "Please fill out this field"	Click Register			
ST#10		Student leaves Confirm Password blank	A message will pop out saying "Passwords do not match"	Click Register			
ST#11		Student inputs a different password on Confirm Password	A message will pop out saying "Passwords do not match"	Click Register			
ST#12		If all credentials are filled up the student may press Signup	If successful, the student will be redirected to the profile to verify the student's account	Click Register -> Click Signup			
ST#13		Student Pressed Optional Fields	A new field page will show	Click Optional Fields above of Signup			
ST#14		Student Fills up all the details in Optional Fields	All of the filled-up details can be seen in the Profile Page (Once Verified)	Click Optional Fields above of Signup			
ST#15		Student leaves the Optional Fields blank	If all credentials in previous page are all filled up, the registration will continue	Click Signup			
ST#16	Student Account Activate (if account made by admin)	Student Put the correct Email	Shows "Password reset email sent"	Click Send Activation Link			
ST#17		Student Activate Email	The Email will show either at Spam or Inbox	Click Your Email			
ST#18		Student setting up the Password	Input the same password	Click Reset Password			

ST#19		Student leaves it blank	It will show "Passwords cannot be empty"	Click Reset Password			
ST#20		Student input 2 different password	It will show "Passwords do not match"	Click Reset Password			
ST#21		Student leaves it blank	Shows "Please Fill out this field"	Click Send Activation Link			
ST#22		Student incomplete email	Shows "Please Enter a part Following '@' 'user@' is incomplete"	Click Send Activation Link			
ST#23	Student Login	Students enter registered Username and password	Successful login will navigate Student to Student Dashboard	Click Login			
ST#24		Student enters unregistered Username and Password	A message will show that the "Username does not Exist"	Click Login			
ST#25		Student enters only Username	A message will pop out saying "Please fill out this field"	Click Login			
ST#26		Student enters only password	A message will pop out saying "Please fill out this field"	Click Login			
ST#27	Student Overview Preview	Student Dashboard overview	If login was successful, the Student will be redirected to Student Dashboard on Overview Tab	Click Login			
ST#28		Team overview Status	view the Team overview Status	Scroll down on overview tab			
ST#29		Upcoming Defense Schedule	view the Upcoming Defense	Scroll down on overview tab			
ST#30	Student Calendar	Student Calendar overview	Shows Month and Date and if there's an upcoming Defense	Click Calendar on Overview tab			
ST#31		Date	Shows the week	Click a date in calendar			
ST#32		Date with a defense	Shows a Pop up Message saying "Event with Team: Room:"	Click a date with defense			
ST#33							
ST#34		Week	Shows the current date up to 7days and hours	Click week			
ST#35		Day	Show the whole hour of the day	Click Day			
ST#36		next month or previous month	Shows next month and previous month	Click the next month or previous month			
ST#37		Student Requirement Status	Student Requirements	A List Shows all Requirement status	Click Calendar tab and click requirement drop down arrow		
ST#38	Student Research Title Acceptance Tool	Input Proposed Research Title	The student will Input its proposed title to check for similarities and originality.	Click Research Title Acceptance, Fill up the list and then Check Title			
ST#39		Enter without inputting	The student cannot proceed without filling up the proper fields	Click Research Title Acceptance then click Analyze Title button			
ST#40	Student Requirement Checker Tool	Requirement Checker Tool Overview	Shows all of the Requirements have been completed and not completed	Click Requirement Checker			
ST#41		Requirement Checker Upload File	Select the File that you are going to submit	Click Choose File			
ST#42		Requirement Checker Submit File	Submit the File that you choose	Click Submit File			
ST#43		Student submitted a blank file	An error message will show "Please select a file"	Click Submit File			
ST#44	Student Research Evaluation	Research Evaluation overview	Shows the Research Evaluation Comments after the Defense	Click Research Evaluation			
ST#45	User Profile	User Profile View	Shows the Username,, First Name, Last Name, Headline, Profile Details, Gender, and edit profile	Click the profile Icon banner in the Top left corner and Click Profile selection			
ST#46		User Profile Edit	Edit your Picture, Username, Email address, First Name, Last Name, Headline, Profile Details, Gender And Password and It will show a "profile successfully updated"	Click the profile Icon banner in the Top left corner and Click Profile selection and Click Confirm Changes			
ST#47		User Profile inputting a wrong Email Address	An error will pop up	Click the profile Icon banner in the Top left corner and Click Profile selection and Edit Email Address and Click Confirm Changes			
ST#48		User Profile inputting a Wrong current Password	It will say "Incorrect Current Password"	Click the profile Icon banner in the Top left corner and Click Profile selection and Edit Password and Click Confirm Changes			
ST#49		User Profile inputting a not same Password	It will say "Confirmed password does not match new password"	Click the profile Icon banner in the Top left corner and Click Profile selection and Edit Password and Click Confirm Changes			
ST#50		User logout from system	User will be logged out from system	Click the profile Icon banner in the Top left corner and Click logout button			
ADVISER / PANELIST
